Please review this information carefully. Your clear understanding of our Financial Policy is extremely important to our patient/provider relationship. Should you have any questions, please ask our staff.

<u>Cosmetic Consultation Fees</u> range from \$100-250 depending on the length and complexity of the consultation. In most cases this fee may be applied as a credit towards your surgery.

Surgery Fees

Following your consultation, you will be given a cosmetic surgery cost estimate. In order to schedule a surgery date, we require a \$500.00 non-refundable scheduling fee. Your surgery will not be scheduled until this fee is received. Your remaining balance is due no later than 2 weeks prior to your surgery date, and must be paid in full before your pre-operative appointment. Should payment not be received by this time, your surgery will be cancelled. Surgical Facility Fees are due the day of your surgery and Anesthesia Fees are due 5 days prior to your surgery. You will be held responsible for any extra anesthesia or facility fees incurred due to an overage as well as any necessary lab or pathology fees.

Cancellation/Rescheduling

In the event that you decide to cancel your surgery, **no refunds will be given**. Should you need to reschedule due to a true medical emergency, we must be provided with **documentation from your Physician** and you may reschedule your procedure **within 90 days of the original date of surgery**.

Injectable Fees

In order to schedule an appointment with Dr. DeVito for neurotoxins and/or soft-tissue filler injections, our office requires a **\$250.00 non-refundable** deposit. This deposit holds your appointment time and will be applied towards your total for injections.
